

2020 WeBeLos WoOds

Redwood Empire Council

Hello Webelos and future Scouts!!!

As you prepare to bridge from Cub Scouts to Scouts, we are excited to assist by inviting you to our first ever Virtual Webelos Woods!

Typically, this event is an overnight camping experience designed to introduce Webelos to the local Troops and the adventures of Scouting. On this overnighter participants usually rotate through a series of Scout themed skill stations hosted by the local Scout Troops and experience how to camp as a Scout! However, due to these unrepresented times and current health and safety guidelines, we are unable to meet in person this year, but believe our virtual camp experience will still be extremely valuable, informative, and most of all, fun!

Each of the areas individual Troops have created an introduction and skills video that will provide a glimpse into your potential future Troop. All you need to do is register, watch each video, and solve a riddle to earn your Webelos Woods Patch! (pictured to the left). Remember, every Troop is unique and worthy of your investigation and interaction (even if they aren't the closest option or where friends are going) as finding a group that fits your needs, goals, and style is essential to your future Scouting success!
